

**“Bounce Back Boating part 2”**

Mark 4:35-41, 6:45-52, 8:11-21

5/24/20  
Pastor Paul

Introduction: Calling on Vorpil to retard fires verses on Christ to start fires through you . . .

WITHIN / The runaway panic of our response—Mark 4:35-41

WITHOUT / The gravitational pull of societal rut—Mark 8:11-21

SPIRIT / The amazing yet awkward propensity of God’s route—Mark 6:45-52

Our amazing yet awkward awareness of Jesus’ **usefulness** to us . . .

Have we progressed to an awareness of Jesus’ **preciousness** to us?

Does Jesus treat you as essential, useful, precious?

## Special Announcements

Please plan to stick around with us today and watch the kids float their boats on our pond. Also, stick around for a "bring your own" picnic lunch.

Based on the comfortability of the parents of our youth we would like to open up Sunday School and Nursery next week. Please voice your thoughts on doing this.

We so enjoyed learning about the feasts of Israel as facilitated by Karen Sorenson. Anyone else have a study to facilitate? Our vision is to fill our Church with God's teachings. Let us know what you are interested in studying and applying to your life. All that is needed we need is 4-6 people to be interested and we'll forge ahead. We really would like to hear from all of you as to what you are interested in to help you grow into all God intends for you to be.

Please pick up a post card to pray for our kids at Church and then send them a postcard to them and their parents. We so love the kids of our Church.

Thanks to all of you who continued to give financially to the ministry of Faith Christian Church during the weeks we were asked not to meet physically at our facility.

It would be great if anyone could take the time to weed out our rock places around the Church either prior to the 26th of May as our building will be sprayed with a bug distractor or after the 30th of May. Let pastor know if you can help out in this way. A big thanks to Dave Sawall for keeping our grounds kept up!
