Special Announcements

The next three Sundays we will explore some sage advice from the apostle Paul at the end of his life from his second letter to younger Timothy. Along with the sage advice we will witness Paul's human need for authentic relationships, faithful service, gift development, and fierce loyalty. We can take to heart some very practical and very powerful ways to center our lives and get them on target for the days ahead.

The Church leaders plan to meet together on Tuesday night the 30th of July and would love to field any questions you have regarding the Church and it's life and ministry here in New London and beyond.

Mark your calendars for our next fellowship meal on Sunday the 25th of August. We plan on holding our communion worship service here at the Church and then travel over to the Cuff's farm for a fellowship meal on their grounds. More details to come.

Dan and Whitney Kieffer have been driving for meals on wheels in New London for almost 2 years. They have found it to be fun and easy and takes us a little over 1 hour to complete. They do Tuesdays twice a month. Each route is a bit different. The routes are scheduled for Monday - Thursdays. They are in bad need of more drivers! It's morning deliveries they are really needing. Meals are ready about 10:15-10:30. You load up and then go. They wonder if you are available or if you know anyone who could run meal even once a month? People not working or home school kids can do it for a service project. If you have questions or are willing to help out contact Whitney at 612-387-4538.

Joshua, Gabriella and Rosalie Gaigg are asking for a little help with the burden of medical bills since Josh had suffered Cardiac Arrest on June 10th and was hospitalized for the next 6 days, 4 of which were spent in the Intensive Care Unit. Josh is doing well, the family now has to make some hard decisions about his vocation and next steps. Prayer is also very welcomed for this young family. Thank you and give God the glory for Josh's miraculous recovery!
