Special Announcements

This will be the last installment of our series on Paul's sage advice at the end of his life from his second letter to younger Timothy. Today we will learn about being loyal to our great God at all times but especially in the time when it seems everyone is jumping ship. God help us stay on target now and in the days ahead! He has made us to be loyal to Him!

Mark your calendars for our fellowship meal celebration at Cuff farms on Sunday the 25th of August. We plan on holding our worship service here along with communion and then travel over to the Cuff's farm for a fellowship meal on their grounds. More details to come.

Dan and Whitney Kieffer have been driving for meals on wheels in New London for almost 2 years. They have found it to be fun and easy and takes us a little over 1 hour to complete. They do Tuesdays twice a month. Each route is a bit different. The routes are scheduled for Monday - Thursdays. They are in bad need of more drivers! It's morning deliveries they are really needing. Meals are ready about 10:15-10:30. You load up and then go. They wonder if you are available or if you know anyone who could run meal even once a month? People not working or home school kids can do it for a service project. If you have questions or are willing to help out contact Whitney at 612-387-4538.

Joshua, Gabriella and Rosalie Gaigg are asking for a little help with the burden of medical

We could use your help in filling the needed openings in our worship schedule, nursery schedule and fellowship meal schedule until the end of the year. See Alex, Abe, and pastor Paul to find out more of what is needed.

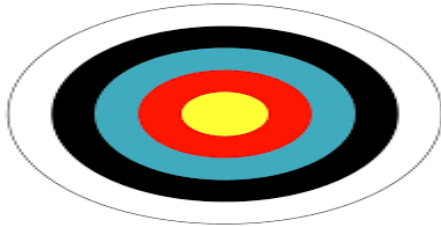

Save the date: Ladies' VBS at FCC (one night only) invite others. Tuesday September the 10th from 6:30-8:30 PM Includes: Message, music, prayer, game, craft, snack. See Rochelle Rosenthal for more information.

bills since Josh had suffered Cardiac Arrest on June 10th and was hospitalized for the next 6 days, 4 of which were spent in the Intensive Care Unit. Josh is doing well, the family now has to make some hard decisions about his vocation and next steps. Prayer is also very welcomed for this young family. Thank you and give God the glory for Josh's miraculous recovery!

Please stay after the worship service if you sense the need for special prayer to stay on target or for others needs you have.

“On Target Living part 4”
2 Timothy 1:8 / Acts 3-4

Pastor Paul 8/11/24

An encouragement to loyally embrace and export to our Wisconsin dairy heritage and cheesy roots in the most practical areas of life . . .

What are we to do when . . .

- . . . Evil get's openly displayed in our faces
- . . . The Devil himself comes into the light and personally deals with the affairs of life
- . . . There is a direct threat to sensor your voice of faith and gospel message
- . . . Divisions, differences, and fear is amped way up

The enemy of our soul has a battle strategy that is consistent and continuous . . .

The lover of our soul has a “on target sanctification process” that wins . . .

How will you choose then to live? . . .
