Special Announcements

We are into a verse by verse preaching series through the book of Ecclesiastes.. It takes about 1/2 hour so to read through the whole book of Ecclesiastes. To read it all in one sitting is a great way to grasp the whole tenor of the book. Write down your questions and ask them. Each week we will explore specific areas of life we can learn about from Solomon's musings. Two weeks ago we learned about the great energy God provides to us in His Holy person. Last week we will look at the pleasure God brings in His humble person. And this week we will look into the victory God claims over all of life through His winning person. What a God we serve!

Sunday School for all ages begins today at 9:00 AM!

Save the date: Ladies' VBS at FCC (one night only) invite others. Tuesday September the 10th from 6:30-8:30 PM Includes: Message, music, prayer, game, craft, snack. See Rochelle Rosenthal for more information. See the flyer in the bulletin.

Thanks for all who put their names down to help in nursery.

The following opportunities from the Church are available for you to participate in order to grow in your faith. You need to take the responsibility to find ways to grow that works for you. We are available to help steer you in helpful ways. While several opportunities are about to be shared and we are exploring other opportunities that prayerfully will come to fruition in the near future, this is what we sense the Lord has us to offer in this present moment . . .
